

Let's #GoBroward! Here's Our Chance
Funding Countywide Transportation Improvements

Broward
PENNY
FOR TRANSPORTATION

Penny Facts:

- 1) Of Florida's 67 counties, 62 have levied a surtax. **Broward has not.**
- 2) **Broward Ranks last**, #67/67 in per Capita Road & Street Expenditures.
- 3) In 2017, ~13M people visited Broward. ~30% of surtax would be paid by non-Broward residents. **Let's put visitors money to work for Broward.**

On November 6 voters have a chance to demand the transportation & mobility we deserve.

What is the #BrowardPenny for Transportation?

The #BrowardPenny for Transportation will target the communities biggest traffic problems with solutions that will give residents a greater quality of life including:

- Adaptive traffic signalization resulting in less traffic congestion
- Intersection improvements including resurfacing, pavement markings, mast arm upgrades, drainage improvements, sidewalk and ADA updates
- School zone safety improvements and safe, reliable mobility for seniors
- Fiber optic network improvements that support new signal technologies
- Bike lanes, expanded transit system facilities and routes, and light rail system
- Miles of resiliency projects
- in addition to creating 1,000's of jobs

Don't miss your opportunity to make a difference.
